Michelle Douma

Personal Information

95 Fairholt Road South, Hamilton   289.890.0884   ✉ michelle.douma@gmail.com

Portfolio: https://amuodmi.github.io/Portfolio/

Work experience

RPhT
Juravinski Hospital
📅 05/2021 – present   HAMILTON

Took advantage of the ever increasing machine/automation systems in the in-patient pharmacy by volunteering to be trained on the machines, and became one of the go-to people for the technology in the Pharmacy such as the Omnicell systems, the Pill-picker, and the Box-picker robots.

Projects

Gift You Up

Description:
   Secret-Santa-like website where one can add gift-links under their own user profile so that other users can purchase those items.
Tech Stack:
   NodeJS, Express.js, Handlebars render engine, HTML, CSS
Links:
   Github: https://github.com/Amuodmi/GiftYouUp
   Deploy: https://gift-you-up.onrender.com/

Music Box

Description:
   A website to find lyrics, and listen to songs. Initial Artist search brings up the top ten songs from that artist.
Tech Stack:
   Javascript, Jquery, Bulma, Spotify API, HTML, CSS
Links:
   Github: https://github.com/Amuodmi/music-box
   Deploy: https://beca-d.github.io/music-box/

Education

Full-Stack Web Development
University of Toronto
📅 04/2022 – 10/2022
